Dear Parents and Guardians,

**Re: Year Three Visitor**

On Thursday 11<sup>th</sup> October, Year 3 will take part in an Earth Science Workshop run by PalaeoQuest. The children will have the opportunity to explore prehistoric artefacts and take part in hands-on activities. The workshop will enable children to develop their understanding of rocks, soils and fossils.

Each class will spend time with the specialist throughout the day. The company are bringing other exciting activities for the children to complete in class, to extend their experience. There will be no maths or literacy on this day.

The cost for each child to attend will be £5.30. We would like to remind parents that although the payment is a voluntary contribution, if the cost for the visit is not covered, it may have to be cancelled.

Please pay and give permission online using Parentmail.  
However, if you would like to send cash or a cheque, or your child is eligible for Pupil Premium, please complete and return the slip below.

Kind regards,

The Year Three Teaching Team
