Christmas Fair 3.15pm Fri 30th Nov School Dining Hall

Christmas tuck and pocket money stalls, glow toys, Christmas treats, tombolas, raffle, refreshments, and Christmas decorations.

New this year! – Buy your Real Christmas Tree through the school

We have the opportunity to purchase Christmas trees at a reduced price (lower than garden centres), have them delivered to school and raise some extra cash for the school. It's also supporting a local business.

'Trees For Christmas' in Liphook can supply real trees in a range of sizes and prices. The trees are rootless Nordic Firs and delivered netted so will need to be treated as fresh flowers.

We need a minimum of 20 trees for an order, the cost paid in full before, and you will need to collect them on Friday 14th December afternoon or Saturday 15th December morning.

Trees are non-returnable or refundable, unless damaged or faulty.

Options are:
- 3-4ft £25 (eg. tree will be min 3ft, max 4ft, measured from the butt/base to halfway up the terminal leader/top branch)
- 4-5ft £30
- 5-6ft £35
- 6-7ft £40
- 7-8ft £50

If we don't get enough orders you will be refunded in full.

Place your order by the 30th November and pay via Parentmail or the school (cash, or cheque to Northmead Supporters Team).

Many thanks in advance for your help and support. Northmead Supporters Team.
