

## Road Safety Project - Year 3

Listed below are several project ideas. Please choose **one** for this half term.

Your project will be due in on **Monday 3<sup>rd</sup> December**. Projects will be displayed in classrooms and parents will have the opportunity to view them on **Thursday 6<sup>th</sup> December** from 3.20pm-3.45pm.

Make and label a model to show a type of crossing.	Research the different types of crossings. You could photograph different types of crossings in your local area.	Create a poster to show how to stay safe when crossing a road or write a set of instructions.
Make a short film about road safety.	How would you make our roads safer? Write a letter addressed to the highways information team* to suggest improvements.	Free Choice

\*Your class teacher will send your letter to the highways information team in Merrow after the homework viewing.
