NORTHMEAD JUNIOR SCHOOL

SPRING 2020

At Northmead we continue to provide a rich and varied curriculum.

We feel it is important for our children to learn through a range of different experiences.

Have a look at all we have achieved this term.

Year 3 collected their passports and boarded the Northmead Airways plane and were flown to Belize by a real pilot-Thanks to Mr Cooper!

Since arriving in Belize, Year 3 have been busy learning about the rainforest. They enjoyed a trip Wisley gardens.

To further enhance their learning Year 3 were visited by a Mayan!

Year 4 enjoyed a visit which taught them lots about the Romans.

The Year 5 trip to Marchant's Hill was a great success.

Year 6 welcomed representatives from the Guildford Flames as part of their PSHE lessons.

Fantastic Friday was another great day. Children used their learning to learn skills throughout the day when trying something new.

Reading took a high priority this term. We enjoyed World Book Day and a visit from Kerry Gibb— a real author.

Visitors to assemblies included Surrey Young carers and the NSPCA.

Our singers performed at the 02 as part of the Young Voices choir.

Our annual pancake race was great fun— the winning house was Neptune.
