Issue 3~ 13th October 2020

Dear Parents,

### Harvest Festival

Thank you so much for your generous gifts. Our Home school link worker, Wendy Cook was able to make up 15 large bags of groceries to distribute in our school community.

### Film night

The children enjoyed the new style film night and were relaxed in their class bubbles watching the film of their choice and snacking on pop corn. This event raised **£1223** for funds for the NST which will be used to provide additional exciting learning experiences for our children.

### Harvest Creature Competition 2020

For some of our winning entries please see our website following this link:

### Vehicle Access to School Premises

At the beginning and end of the school day the driveway and car park are very busy. Parents should NOT be bringing their children on to the school premises and dropping them by car. Parents should park considerately and carefully in roads adjacent to school. The only vehicles that should be coming through the gates are the TAXIs that regularly do the school run or parents who can display a valid **Blue Badge (Disabled Parking Permit)**

### 5R Artwork ~ Gallery of Aliens

Mrs Brown enjoyed an afternoon with 5R when they created these spectacular space aliens.

We are really excited to reveal our brand new wildlife and animal areas. Pictures can be found by following this link:

Thank-you to The Marshall, McKeague and Miles families for putting the enclosure together and Tom Lewis, Miss Lewis and Miss Ramsay for building the pond over the summer. We are very excited for the next additions to the area. If you have any skills or time, please consider offering your support to the NST who have funded these projects and unbelievable amounts of support.
