Calling all parents!!

Awesome New Menu

abm in partnership with the School would like to thank you for your continued support through these difficult times. We are pleased to announce that we have now introduced our full 3-week menu for you to choose from. This will continue to be served in the safest environment that we have set up alongside the school's approach to a safe and enjoyable school day.

The Food for Life standard menu that we produce on site and is specifically adapted to meet the needs of your School. Using our experience and by working closely with the School prior to each termly menu revision, we will adapt, evolve with trends and be flexible in our approach to ensure that you have the desired menu, however if children have identified any dishes that are not popular then we can make changes.

Great Food

The new menus will offer popular recognised traditional dishes both meat and vegetarian, filled jacket potatoes or a pasta dish. The home-baked puddings available; now include our fudgy chocolate brownie made with cocoa powder and fresh dates to give them a real crispy outside but a soft and squidgy middle..... And we have some fun on Fridays where we carve up some fruity decorations to support our Fruity Friday offer.

We look forward to seeing you soon
