5<sup>th</sup> January 2021

Dear Year 5 Families,

Firstly, we would like to say to thank you for your support in these very uncertain times. As we are sure you can appreciate, many decisions have been made in a short amount of time.

We will be providing live lessons (approx. 30 mins) at the following times each day, which will be taught via Google Meet from our classrooms:

English 9.45am

Maths 11.15am

Foundation subject 1.30pm

The link for each google meet will be posted in the stream just before the lesson starts. Your child needs to log into GC 5 minutes before hand, so they are ready to join in with our learning. Any work resources will be uploaded in weekly folders for pupils to complete work at home.

If possible, please can you ensure that your child has paper, ruler, pencil, some colouring pencils/felt-tips, and a rubber for their learning. It would be beneficial if your child can sit in a quiet spot in your home, with their equipment ready. We appreciate this may be difficult, but to be able to listen carefully to their live lesson slots would be beneficial. We have staggered timings across the school to enable family members to share devices more easily. The children in school will be completing the same independent activities as those at home. We will not set additional reading, maths or English homework at this time. Please bear with us as we may experience technical difficulties to start with.

Kind regards,

Year 5 teachers
