

Try more, learn more,
achieve more!

Do you want to make a difference?

- Do you care about **improving children's education**?
- Do you want to work as part of a **friendly team** and ask **challenging questions**?
- Are you open to new ideas and **willing to learn** and undertake training?
→ So why not consider **becoming a governor** at your local school?

Northmead
Junior School

What do governors do?

The main roles of governors are to:

- Help develop the **strategic vision** and monitor it
- Holding **school leaders to account** for the outcomes and pastoral care of students, performance of staff
- Making sure the school's **money is well spent**

Do you have what it takes?

Do you either have

- a child in a local school
- links to institutions in the community
- any particular skills that you feel the governing body could benefit from?

Find out more?

If you have any suggestions or questions to the Northmead governing body or want to find out more about what it involves and how you could enhance our team please contact the chair of the local governing body at: Chair@northmead.surrey.sch.uk.
