5R - Clarinet Lessons

Dear Parents/Guardians,

Year 5 Clarinet Lessons

I am writing to inform you that your son/daughter will be involved in an exciting opportunity this term. We are linking up with Surrey Music Hub once again, to give every child in Year 5 the experience of learning to play a musical instrument - the clarinet.

This opportunity includes 10 class lessons, own individual reed(s) and the use of an instrument for that time.

We are only asking for a voluntary contribution of £10 to cover all these costs.

Please pay via the Northmead Online App.

Clarinets will need to be brought into school for lessons on Thursdays.

As part of the Surrey Arts 'Tuning Up' Scheme, each child has their own clarinet to use in lessons. In order to maximise the progress your child makes in the short period of time the instruments are available, your child will be able to take his/her own instrument home to practice.

Due to the value of the instruments, if you would like to take advantage of this opportunity you will need to complete and return the attached agreement to your child's class teacher. The instrument will become your responsibility and you would be responsible for mending or replacing the instrument should there be any damage.

All instruments will need to be returned to school at the end of the 10 weeks.

I hope you will agree that this is a very exciting opportunity.

Thank you for your support,
Miss Ramsay
Music Lead
