28th September 2021 : Issue 2

Dear Parents and carers,

Autumn Fair

It was good to see so many people supporting our Autumn fair on Saturday. We were so lucky with the weather and everyone enjoyed playing the games on the playground and having a welcome opportunity to catch up with each other. The highlights of the day were the visits to the animals and the amazing Science show in the hall. It was fantastic to hear children squealing with amazement and excitement as the scientific experiments were explained and took place before their eyes with bursts of flame and loud explosions! It was so informative and captivating we aim to book workshop sessions for the whole school later in the academic year.

Many thanks to the members of the NST and their group of helpers for their hard work to enable events like this to take place at our school.

Curriculum

It has been great to see more normality returning to school life . We have been holding upper and lower school assemblies since the beginning of term , with a space between the two year groups and the school hall well ventilated. It has been good to have the children back together to ensure we retain our spirit of community as a whole school. Day visits are now being planned to enhance the children`s learning and full details of these will follow shortly.

It has been good to put swimming back on the curriculum. The children in 3B have had two lessons so far this term, now the Spectrum is able to welcome school groups again. Inter school sports will soon be back in the diary as well.

REMINDER!

Already we are accumulating a number of sweatshirts and cardigans in our lost property - ALL unnamed.

PLEASE ensure that you clearly label your child's clothing so that items can be returned if handed in to the office.

If you shop at Morrisons please nominate us to receive any Grow tokens you collect.

For every £10 you spend in store or on line , you'll get a grow token to help your school to get everything they need to get growing. Your chosen school will be able to exchange their Grow Tokens for free gardening equipment. Many thanks in advance if you able to do this.

Year 6 roles of responsibility

We are pleased to announce the names of the children who have been chosen as House Captains and Sports captains from year 6. They will be role models for the other children and act as ambassadors for our school. We are looking forward to working closely with them.

NEPTUNE

| House Captains | Sports Captains |
|--------------------|--------------------|
| Talitha W Abi P | Jack A Amirah C |

Jupiter

Further responsibilities are still being organised for year 6 children and these will be announced in due course.

PENALTY NOTICES

We would like to remind parents that if there is an unauthorized leave of absence for 5 or more school days, each parent/carer will be liable to receive a penalty notice.

Penalty notices are issued per parent/carer per child and the amount payable is £60.00 if paid within 21 days, rising to £120.00 if paid after 21 days but before 28 days. If the penalty notice remains unpaid after 28 days, the Local Authority will consider a prosecution in the Magistrates Court.

Keeping in touch

Communication between home and school is vital to ensure that your child is happy and achieves well at school. We have many channels of communication which we use to support your child.

Coronavirus

If your child develops any COVID symptoms at school, we will contact you and ask you to collect them as soon as possible. Unless there is a large outbreak, we do not envisage having to send home whole classes of children.

If anyone in your household displays any of the key symptoms associated with COVID 19 please arrange for a PCR test as soon as possible. If the test comes back positive, they are required to isolate for 10 days, other members of your household do not need to isolate providing they have been double vaccinated or are under 18 years old. If you have any queries, please contact the school office who will be happy to help.
