

IMPORTANT

YEAR 4 TIMES TABLE CHECK

IMPORTANT

At Northmead, we value the importance of learning times tables to support the children's mathematical understanding.

What does my child need to know? (Government expectations)

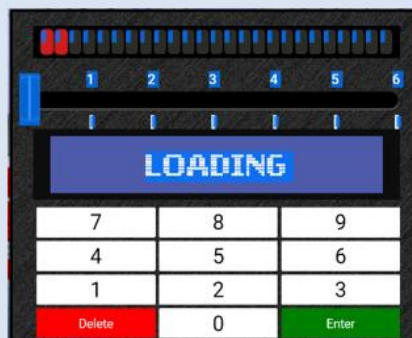

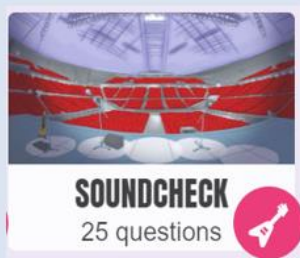

Year 2: x2, x5, x10

Year 3: x2, x3, x4, x5, x8, x10

Year 4: all times tables up to 12 x 12

All Year 4 children will take the Multiplication Tables Check at the end of this academic year - June 2022. The children will be asked to complete 25 questions online and will have 6 seconds to answer each question. This time includes typing and entering the answer so quick and accurate keyboard skills are essential!

As part of our subscription to TTRockstars, your child can practise for the Multiplication Check (MTC) in the SOUNDCHECK area.

(Note: Please contact your child's class teacher if you need your child's log in – **do not** contact TTRockstars direct as they are not allowed to give out this information)

Times tables are really important so please keep learning them. 😊

Thank you for your continued support,

Mrs Richardson
