Parents, please remember that the performance starts at 6:30pm prompt. You should arrive in plenty of time to be seated before the start of the performance. Please use the main school entrance to enter the hall.

You will need your coloured programme, which acts as your ticket to see the show. We have to be very strict about bringing your programme; this is because of Health and Safety regulations which restrict the number of people we can seat in the hall.

Please remember One ticket = One seat = One person (Adult or Child over the age of 5.) The production is not suitable for under 5's as it lasts over one and a half hours. Children will not be allowed to sit on their parents lap.

There will be drinks, programmes and photos for sale in the dining room from 5:30pm

Yours Sincerely

Debbie Brown
