

**School Council Meeting**  
**Tuesday 16<sup>th</sup> January 2018**

**Chn unable to attend the meeting:**

Lyla 3L (swimming)

Edward ill – Amos sent 4M

**Minutes taken by:** Mrs Douglas

**Today's Agenda:**

To meet with Mrs Brown to discuss the organisation of dinner times - Pros and cons.

To observe and discuss how the dinner hall could be made more inviting.

**Minutes:**

Today the School Council Team took a walk down to the Dinner Hall. On the way they looked at where the packed lunch trolleys were kept. They discussed whether they were well placed or whether they caused congestion! We then discussed briefly whether there were other convenient and safe places they could be kept.

**Action: Children to go back to class and discuss and gather suggestions from their peers.**

Next, we looked at where the children line up for either packed lunches or dinners. It was discussed that when they line up it gets very busy and loud. There is also a lot of time spent queuing. (After half term children will not queue to get their tickers punched – that will stop them queuing twice when the new band system is introduced)

**Action: Children to go back to class and discuss ways to help get packed lunches and dinners into the dining hall quicker.**

**Next steps:** School councillors were given a survey to do in their books. To be completed by Friday 26<sup>th</sup> January. Children to bring ideas to the next meeting.

***Next Meeting will be on Monday 12th February at 10.30am, during assembly time in 6MD***
